

LOAN COUNCIL

Statement by the Chairman of the Australian Loan Council  
The Rt. Hon. Harold Holt, M.P. Federal Treasurer

The Loan Council adjourned its meeting this afternoon for the purpose of a discussion between the Prime Minister and the Premiers. When the Loan Council resumed, I informed it that the Prime Minister had agreed to place the views of the Premiers before his Cabinet at its meeting next week.

I told the Council I would then advise members of the outcome of this further Cabinet consideration.
