P. M. No. 50/1968

ATTITUDE TO NUCLEAR NON-PROLIFERATION TREATY

Spokesman Comment for Background

The Australian Government has indicated its support in principle for a nuclear non-proliferation treaty provided such a treaty is fully effective and provided complete and satisfactory guarantees of protection against nuclear attack can be achieved.

The matters to be discussed in the United Nations General Assembly will bear on whether or not such a treaty and such conditions can be achieved.
