TELEGRAM TO DAME PATTIE MENZIES

My Cabinet colleagues join with me in expressing our deepest sympathies to you and your family at this sad time.

We all remember well the leadership and example of Sir Robert. He was a prime exemplar of the practice and principles of Cabinet Government. Above all, we all remember his friendship, and his passing has touched each one of us in many different ways.

On behalf of my colleagues, many of whom served with Sir Robert, I express our deepest sympathies.
