

# PRIME MINISTER

**TRANSCRIPT OF THE PRIME MINISTER, THE HON P.J. KEATING MP  
DOORSTOP, MANUKA OVAL, WEDNESDAY, 9 NOVEMBER 1994**

**E&OE PROOF COPY**

**J:** Prime Minister, who would you like to see as your opponent at the next election - Mr Howard or Mr Downer?

**PM:** I see Mr Howard is out there on the air waves today, as I said, once there is any whiff of mortality around, he starts hearing voices, becomes a visionary again. But, as you know, Mr Howard's vision is a vision of the 1950s. So, if you want to really tune into his thoughts you need a big trip down the time tunnel.
