STATEMENT BY THE PRIME MINISTER, THE HON P J KEATING MP

DOES THIS MAN REALLY WANT TO BE PRIME MINISTER?

Mr Howard's press release of today on Small Business includes the following:

A Coalition Government will:

- reduce the number of surveys and rationalise the role of all Government agencies in the collection and collation of statistical data from the small business sector, and
- establish a comprehensive small business data series on all aspects of the Australian small business sector.

As a well known waiter from Barcelona might have said, Que?
