

VISIT OF HER MAJESTY THE QUEEN AND  
PRINCE PHILIP

STATEMENT BY THE PRIME MINISTER, THE RT. HON. R.G. MENZIES

I am delighted at the announcement.

The period of the visit is to be shorter than the last time Her Majesty and Prince Philip came to Australia. This, however, is desirable for it should encourage visits for special occasions of importance and will, I am sure, give great satisfaction to us all.

I know that the Queen is pleased with the nature of the visit now announced.
