

MESSAGE TO GOVERNOR OF
STATE OF ARIZONA, U.S.A.

I am glad to take this opportunity,
through the visit of members of the Hotel Federation
of Australia to the State of Arizona, to convey
cordial greetings to you on behalf of myself and
the Government and people of Australia.

We are ever mindful of the warmth of
associations between ourselves and the people of
the United States of America - associations which
I am sure can only grow in strength as both our
countries work together in the cause of freedom
and justice within the framework of the democratic
way of life.
