

I have very much pleasure in sending cordial greetings to the Greek Orthodox Church and Society of the City of Greater Mollongong.

Your activities in catering to the spiritual and social needs of the adherents of the Greek Orthodox Church are most commendable. Australia and Greece have many common bonds, not least of which is their common Christian heritage.

I congratulate all of you who through faith and zeal have built this house of worship and Greek Community Centre.

R. . . MENZIES

CANBERRA,
