

**MESSAGE FOR THE INCORPORATED LAW SOCIETY
OF CEYLON.**

On behalf of the Government and people of Australia, I send to the Incorporated Law Society of Ceylon cordial greetings to mark your Law Day Celebration, with its emphasis on the rule of law.

Through many centuries, laws have regulated relations between individuals. There still exists today a great field for the constructive efforts of lawyers to develop rules which will regulate on a firm foundation of justice relations between states as well as between individuals. I hope that your deliberations will be attended by marked success.
