

COMMONWEALTH GOLF TOURNAMENT 1963

MESSAGE OF WELCOME

I offer greetings and a sincere welcome on behalf of the Australian Government and people to all who will take part in the 1963 Commonwealth Golf Tournament.

This is a famous event in the golfing calendar and one which will arouse the widest interest, not only among those who play the game, both well and indifferently, but to the ever-diminishing group of non-golfers who admire sporting skill in whatever manner it may be demonstrated.

Our visitors will find themselves playing before galleries which appreciate skill, character and sportsmanship. They will be among friends whose wish will be that the best team wins. I hope that they will feel at home and carry away the pleasantest memories of a most successful event.

CANBERRA,

31st July, 1963.
