

**NINETY-FIFTH ANNIVERSARY OF THE
"MANNING RIVER TIMES"**

I offer my warm congratulations to the publishers and staff of the "Manning River Times" as you celebrate the 95th Anniversary of your newspaper.

For one family to be able to present such a long record of continuing service to a large and prosperous district is a matter for pride.

The provincial newspaper of integrity has an important role to play in a free society and your newspaper has fulfilled its function with distinction for nearly a century.
