

MESSAGE FOR AUSTRALIAN COUNCIL  
OF CHURCHES CHRISTMAS BOWL OF  
REMEMBRANCE APPEAL

---

Once again we are being asked by the Australian Council of Churches to give our financial support to the Christmas Bowl of Remembrance.

I commend the Appeal which every year for the past fifteen years has brought help to the needy in a wide variety of ways and in many parts of the world.

The hungry, the homeless, the sick have benefited from a warm charity which ignores national boundaries and notes neither colour nor creed.

I feel sure that Australians will respond with their traditional generosity so that this inter-Church project may again meet with adequate finances the responsibilities it has undertaken.

R. G. MENZIES
