

MESSAGE TO QUEENSLAND NEWSPAPERS LIMITED FOR  
A SPECIAL SUPPLEMENT TO BE PUBLISHED ON 15TH  
OCTOBER, 1963, MARKING THEIR MOVE INTO NEW  
£3M PREMISES AT BOWEN HILLS, BRISBANE

---

I congratulate Queensland Newspapers Limited  
on this significant day in their history.

In the pages of your publications - in the  
case of "The Courier-Mail" for 117 years - is the record  
of growth of a great State which year by year makes ever  
greater contributions to the prosperity of our nation.

The publishers, in this new venture, have  
given a tangible expression of their own faith in Queensland's  
future and have provided an example of substantial investment  
which I hope will encourage others to follow.

I am certain that with the greater efficiency  
which this new plant promises, we will see a continuation  
of the service which responsible journalism offers in a  
free society.

R. G. MENZIES  
PRIME MINISTER
