QUEENSLAND ELECTION RESULT

Comment by the Prime Minister, Mr. Harold Holt

I warmly congratulate Mr. Nicklin, Mr. Chalk and their colleagues of the coalition team on their fully-deserved vote of confidence.

It was a personal triumph for Mr. Nicklin to hold his large majority intact after nine years of leadership.

The Coalition Government has launched Queensland on a programme of vigorous development. We look forward to a continuing Commonwealth/State collaboration.

CANBERRA,
29th May, 1966.
