DEATH OF DAME ANN McEWEN

Tribute by the Prime Minister, Mr. Harold Holt

My colleagues of the Government and I are saddened by the death of Dame Ann McEwen and express our deep sympathy.

Dame Ann was a woman of great strength of character which sustained her bravely and cheerfully during her long illness.

Her many public services won her the well-merited honour which she carried with distinction.

She will be mourned by all who knew her.

CANBERRA,
