DEATH OF SIR WILLIAM ANDERSON

Tribute by the Prime Minister, Mr John Gorton

The sudden death of Sir William Anderson - the Honorary Federal Treasurer of the Liberal Party - is a great loss for the Party, for me and for all of his many friends and colleagues in the political field.

He was a great Liberal, one of the architects of the Liberal Party in 1949 which has done so much for Australia, and organisationally was a key man in the party. He will be sadly missed.

To Lady Anderson, my wife and I and members of the Federal Parliamentary Liberal Party extend our deepest sympathy.

CANBERRA,
25 March, 1968
