

Issued from the Office of  
the Press Secretary.

PRIME MINISTER TO REVISIT CANADA

After leaving Washington D. C. on Thursday afternoon, 8 May, the Prime Minister and Mrs. Gorton will spend the weekend in the Rocky Mountains in Western Canada and they will depart for Australia by the Qantas flight leaving Vancouver on Monday, 12 May.

On his previous visit to Canada the Prime Minister was pressed for time and was unable to take up an invitation issued by Mr. Trudeau to visit this part of Canada on that occasion.
