P. M. No. 75/1969

ROYAL VISIT 1970

Statement by the Prime Minister, Mr. John Gorton

When The Queen and The Duke of Edinburgh visit New Zealand and Australia next year they will be accompanied for some of the time by The Prince of Wales and The Princess Anne.

Exact dates will be released in due course, but it is probable that Prince Charles will have to return to the United Kingdom before the middle of April to resume his studies at Cambridge.
