## PREMIERS' CONFERENCE

Statement by the Prime Minister, Mr William McMahon

On 17 December last I announced that I had suggested to the Premiers that the next Premiers' Conference should be held about mid-February as, by then, all parties would be in a better position to assess the impact on the economy of the measures that had already been taken.

I have now received the agreement of all Premiers to the Conference taking place in Canberra on Monday, 14 February, and continuing, if necessary, on Tuesday, 15 February, 1972.
