

## PRIME MINISTER

Press Statement No. 90

8 May 1973

### APPOINTMENT OF CONSULTANT ECONOMIST

Professor Gruen, Professor of Economics at the Australian National University, is taking up an appointment as consultant to the Department of the Prime Minister and Cabinet. The appointment will be on a part-time basis.

Professor Gruen will continue in his position at the University but will be available for advice and consultation to the Department and to the Prime Minister on economic assignments.

Professor Gruen has occupied his present position at the Australian National University since December 1972. He was formerly Professor of Agricultural Economics at Monash University.
