RELEASE OF INDUSTRIES ASSISTANCE COMMISSION REPORT - DIESEL ENGINES

The Prime Minister, Mr Whitlam, today released the Industries Assistance Commission report on Diesel Engines Exceeding 1500kw.

Mr Whitlam said that the report covers part of a reference which was forwarded to the Industries Assistance Commission on 11 February 1974 concerning the production in Australia of marine and other diesel engines.

Mr Whitlam said that the Government's decision on the report will be announced at the earliest practicable date.
