

PRIME MINISTER

Press Statement No.505
28 May 1975

MINISTERIAL COMMITTEE ON SCIENCE AND TECHNOLOGY

The Prime Minister today announced the membership of the Ministerial Committee established to co-ordinate the Government's programs on science and technology. The Committee will be the channel through which the Australian Science and Technology Council (ASTECC) will advise the Government on matters relating to the development and utilisation of science and technology.

The members are:

The Minister for Science (Chairman)

The Treasurer

The Minister for Minerals and Energy

The Minister for Agriculture

The Minister for Health

The Minister for Manufacturing Industry

The Minister for Environment.

CANBERRA. A.C.T.
