Grants to Child Care Centres.

The Prime Minister and Member for Werriwa, Mr Whitlam, has announced approval of a grant to the Methodist Church of New South Wales Property Trust for the Ingleburn Pre-school Kindergarten and Child Care Centre.

Mr Whitlam said that \$6,422 had been allocated for the purchase of equipment for the Pre-school Kindergarten and Child Care Centre.

The level of grant was based on an approved list supplied by the Methodist Church of New South Wales Property Trust.

Mr Whitlam said that this grant was further evidence of the commitment the Australian Government has towards the provision of child care facilities in areas where they are needed and also of the Government's willingness to assist voluntary organisations in providing much needed services in the community.
