Press Statement No. 526
30 June 1975

SENATOR BERT MILLINER

I was deeply grieved to hear of Senator Milliner's death. As well as being a respected and admired member of the Labor Party and the trade union movement, Bert Milliner was a close family friend.

His long years of service to the party included a quarter of a century as a member of the Queensland Central Executive and 9 years as President of the Queensland Branch.

He served his union, his party and the Parliament with great loyalty and distinction. I extend my deepest sympathy to his widow and family.
