FOR PRESS

ELECTION CAMPAIGN: MR FRASER'S ITINERARY

Attached is an outline itinerary for Mr Malcolm Fraser.

Details of meetings and functions will be spelt out in a full programme to be issued later in the week. The provisional itinerary may be subject to one or two final adjustments, particularly as far as overnight stops are concerned. But generally speaking you could safely start your planning on the basis of the attached schedule.

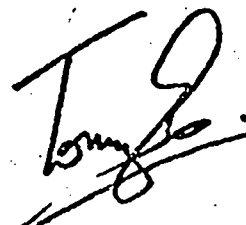

At this stage, I have indicated only the main function each day. The final programme will make provision for press conferences on virtually every day, except perhaps at weekends.

Campaign Organisation

The Liberal Party will be co-ordinating its national campaign from a Campaign Headquarters in Melbourne. The Headquarters will be staffed by Dr Timothy Pascoe, who will also continue his Victorian Division duties, Dr Jim Forbes, and Federal Secretariat personnel. Bob Baudino will be handling press relations and communications.

Press material will be available from the Headquarters (at Lyon House, 11 Queens Road, Melbourne - 7th Floor). Statements/texts will also be issued through the Canberra Press Gallery.

The phone number at Campaign Headquarters in Melbourne is 03/2671011 (7 lines).
