CROWN PRINCE HASSAN OF JORDAN

Their Royal Highnesses Crown Prince Hassan and Princess Sarvath of Jordan have accepted with very much pleasure the invitation of the Australian Government to visit Australia in October.

While precise details have yet to be determined their visit will begin in Canberra and their itinerary will embrace visits to New South Wales, Victoria, Queensland and South Australia. Consultations are to take place between the Commonwealth and State Governments to prepare a program of engagements for the visit. Those details will be announced when an approved program has been decided.
