VISIT TO AUSTRALIA BY CHIP AND CARON CARTER

President Carter will send his son and daughter-in-law, Mr. Chip Carter and Mrs. Caron Carter, as his personal representatives to the celebration of Australia-America Week in Australia from 6 May to 15 May.

They were invited by the Government and the Australian-American Association.

The celebration of Australia-America Week commemorates the close ties between the two countries. For this reason, I am delighted that this year's special guest will be the President's son and daughter-in-law.

Such visits add a personal dimension to the already close political and economic ties between the two countries.

Mr. and Mrs. Carter are expected to arrive in Sydney on Saturday, 6 May, and following a brief visit to Canberra, will return to Sydney to attend the Coral Sea Commemoration Service at St. Stephen's Uniting Church on 7 May and the Remembrance Service and wreath-laying at the Cenotaph on 8 May. They will then visit Brisbane, Newcastle, Wagga, Canberra, Hobart, Melbourne, Perth and Adelaide, to participate in the activities of State branches of the Australian-American Association.

The Carters will depart Australia on 15 May from Sydney.
