SHERWOOD BY-ELECTION

The Queensland Liberal Party has good cause to be pleased with its success in the Sherwood by-election.

It polled particularly well in a by-election situation, and in a seat where after 22 years, the previous Liberal Member had built up a large personal following.

The convincing win is a particular tribute to the Liberal's new Parliamentary leader in Queensland, Dr. Llew Edwards.

I extend my warmest congratulations to Dr Edwards, and to the new Liberal Member for Sherwood, Mr Angus Innes.
