STATEMENT BY THE PRIME MINISTER, THE HON P J KEATING MP

I have today completed my national round of talks with business and unions in Brisbane and will deliver the Economic Statement in the Parliament at 7.30pm on Wednesday 26 February 1992.

I will attend a meeting of the Small Business Coalition on Thursday 6 February and senior Ministers will continue discussions with other peak organisations and regional representatives before the Statement is finalised.

Media arrangements for the Statement will be similar to previous Budgets/Economic Statements.

Media will be notified of details of lock-up arrangements next week.
